

Ria Vogiatzis-Xenos is our Ambassador of Advanced Architecture. She studied Architecture at NTUA and in 1996 she founded Elastic Architects with Alexandros Xenos.

A London based, international award-winning firm of young architects and international partners, structured to provide architectural, interior and landscape design, as well as construction and construction management services. Elastic Architects are specialized in high-end and luxurious hotel design and their portfolio includes a variety of international and domestic projects, including private residences, hotels, retail and commercial, and sports facilities.

Rat Vogiatzis-Xenos was awarded at the Gala Dinner of the Who is Who International Awards on 30.9.2021.
